DEVELOPMENT OF PROCEDURES

The Superintendent will be responsible for developing and implementing rules and procedures for day-to-day operation of the school district. Such rules and procedures must be consistent with the law, with regulations of the DESE, and with the goals of the School Committee for the district.

The Superintendent may issue such procedures without prior Committee approval unless Committee action is required by law, or the Superintendent recommends Committee approval.

A procedure concerning particular members of the school community will be distributed to those affected prior to the effective date of the procedure.
