RECYCLING

The Sharon Public Schools will support the recycling of materials that would otherwise become waste, including paper, cardboard, bottles and cans, from throughout the school buildings and grounds, in compliance with the Massachusetts Department of Environmental Protection's waste ban (310 CMR 19.017), which prohibits the disposal of recyclable paper, cardboard and paperboard, glass and metal containers, and single-resin, narrow-necked plastics. Success in reducing waste through recycling is based on the cooperation of all the individuals in the school community, including the School Committee, administration, staff, faculty, and students.
