**PROFESSIONAL PUBLISHING**

The School Committee recognizes that staff members under contract to the Sharon School District may, in carrying out their professional responsibilities, develop educational materials for use in the school program.

Such materials developed as a part of regular employment are the property of the Sharon School District. Educational materials created during the leisure hours when a staff member is not fulfilling his/her contractual duties to the Sharon Schools are the property of the staff member.

The Superintendent shall ensure that a Contractual Agreement from the Assignment of Copyright Interests form shall be executed between the employee and the school district when requested by the School Committee.
