

IJOA-R**STUDENT TRAVEL REGULATIONS**

1. Transportation

The use of private automobiles for trips planned to include late night or overnight student travel is prohibited. Late night or overnight trips may use commercial motor coaches.

Trips planned to include late night or overnight student travel will include a pre-trip check of companies, drivers, and vehicles. CORI checks will be conducted in accordance with Massachusetts General Laws Chapter 71, section 38R.

The Superintendent or designee will ensure that the selected carrier is licensed for passenger transportation by the Federal Motor Carrier Safety Administration (FMCSA). The district will not contract with any carrier that has a safety rating of "conditional" or "unsatisfactory". FMCSA ratings are available at <http://www.safersys.org/>.

The contract with the carrier will prohibit the use of subcontractors unless sufficient notice is given to the district that allows verification of the subcontractors' qualifications.

2. Trip Scheduling

Overnight accommodations should be made in advance with student safety and security in mind. Whenever possible, trip schedulers should avoid planning student travel between the hours of midnight and 6:00 a.m., due to the increased risk of vehicular accidents during this time period.

Whenever possible, overnight trips should be scheduled on weekends or during school vacations to minimize lost classroom time. Non-academic field trips are considered "optional school programs" and do not count toward meeting structured learning time requirements.

Trip itineraries must leave enough time for drivers to rest in conformity with federal hour-of-service requirements and common sense.

Trip scheduling should take into account the likelihood of delays due to weather, traffic, stragglers and other unanticipated factors.

The school should provide appropriate substitute activities for any students not participating.

3. Fundraising

The amount of time to be devoted to fundraising should be reasonable and commensurate with students' obligations for homework, after-school activities, and jobs.

Group fundraising activities are preferred. Students should not be assigned individual fundraising targets.

If students are charged individual fees for participation, every effort should be made to provide scholarships where needed.
