NEW RESIDENT STUDENTS

In general, pupils transferring into the Sharon Public Schools from another public school district during the school year shall be placed on the same grade level as in the school from which they transferred.

Exceptions may be made when, in the judgment of the professional staff, based on current research, such exceptions are in the best interest of the students involved. Exceptions will only be made after prior written notification, explanation to, and conversation with each student's parents/guardians, but the final decision will rest with the building Principal. Grade placement of new resident students shall be the responsibility of the Principal.
