STUDENTS WHO MOVE DURING THE SCHOOL YEAR

Whenever a student in Grade 12 moves during the school year to another community, the student will be permitted to remain as a student in the Sharon Schools in order to graduate with his/her class. For all other grades, students who move prior to April 1 to another community will not be allowed to remain in the Sharon Public Schools without the written permission of the Superintendent of Schools. Transportation is the responsibility of the parent or guardian.

Revised: March 26, 2014
