NON-STUDENT BASED FUND-RAISING ACTIVITIES

Fund-raising activities by individuals or groups from outside the school system will only be permitted within school buildings, on school grounds, or at school sponsored events, after approval of the building principal, as part of:

- 1) a PTO, PTSO, SSEPAC, FAME or Boosters fund-raising activity or publication, or any other organization recognized as a school system support group;
- 2) a private commercial promotion that has educational or financial benefit to the school system and has received approval of the building principal or Superintendent or their designated agent;
- 3) a charitable fund-raising activity as it relates to specific classroom activities;
- 4) a community service learning program; or
- 5) a contract for facilities rental that does not interfere with any scheduled academic or extra-curricular school department or town activity.
