P is for Progress

Our Class Book     By D3
A is for area. Everyone has a
an area to work on.
B is for your best. Your best is different than your friend's best.
C is for concentration. Focusing and concentration are important when learning.
D is for different. Everyone makes progress at different speeds.
E is for effort. If you show effort you'll make progress.
F is for fail. Sometimes you fail. It's important to try again.
G is for good. If you do good work you will make good progress.
H is for **hard work**. Some learning is hard work.
I is for important. It's important to make progress.
J is for JUST. Just because you can't do it doesn't mean you won't someday.
K is for Keep. **Keep** trying your best.
L is for *learning*. Try to *learn* at least one new thing everyday!
M is for math. Math can be challenging sometimes but keep trying.
N is for **NEVER. NEVER ever give up on yourself!**
O is for opportunity. You have an opportunity everyday to get better.
P is for progress. Everyone is making a lot of progress.
Q is for questions. Always ask QUESTIONS.
R is for reading. The more you read the better reader you will become.
S is for smart. Use effort plus thinking = get smart.
T is for try. Always try your best.
U is for understand. In order to learn you need to take time to UNDERSTAND what you're doing.
V is for VARIETY. There is a VARIETY of ways to make progress.
W is for writing. Good **writing** takes time.
X is for extra. Sometimes you might need extra help. Take the help, it will pay off!
Y is for \textcolor{blue}{you}. You are in charge of your progress!
Z is for zipidy dooda. You'll feel like yelling *zipidy dooda* when you overcome a challenging piece of work.
